What we do

Innovation Management

iN4iN offers a range of practice-oriented certificate courses, workshops and seminars designed according to the customer requirements.

Our Trainings:

- Certified Innovation Manager (2 weeks)
- Market-Driven Innovation Management (3-5 days)
- Certified Service Innovation Manager (2 weeks)
- Market-Driven Service Innovation Management (3-5 days)

Entrepreneurship Promotion

iN4iN offers academic institutions worldwide a transfer of the Leipzig University entrepreneurship promotion concept (Self Management Initiative Leipzig- SMILE). We support entrepreneurs with workshops and coaching sessions.

Our workshops and training formats:

- Business Start-up Clinic (1-3 days)
- Business Start-up Summer School (5 days)

University-Business Linkages

We work with different initiatives of University-Business Linkages: From practical student projects to training and consulting services, as well as universities spin-off support.

We have experience in:

- Concept development for the setup of business incubators at Universities
- Strategy and service portfolio development for technology transfer centers
- Promotion and development of University-Business Linkages
- Cluster Management Trainings

Innovation Research

iN4iN offers solutions based on application-oriented findings and practical experience. We conduct international cooperation projects supported by German or foreign institutions.

Our core research areas are:

- New concepts of entrepreneurship promotion
- Innovation eco-system analysis and development
